

After School Club

After School Club would like to get into the spirit of Summer by dedicating a week to gardening.

We are planning on planting many different types of seeds and flowers.

Some plants will come home to be nurtured and some will remain in school and will hopefully go on to be re-planted in our allotment.

To fund this fantastic theme week, After School Club will be holding a cake sale next Wednesday on the 25th April, @ 3pm - 3.30pm .

Any donations of cakes or biscuits would be gratefully received, please bring in your donation on Tuesday 24th April.

The children in After School Club will also be making some goodies on Monday and Tuesday to sell on Wednesday.

Amanda and Clara would like to thank you for your continued support.
