September 2018

Dear Parents and Carers,

This week the children received an informative assembly lead by Tanya from the Hope Centre in Northampton. The children learnt about some of the hardships and difficulties that people can encounter and the importance of initiatives like Food Banks.

Last year, Cogenhoe Primary School Community, were so very generous with their donations of non-perishable items, that the School Council have suggested that we continue our partnership with the Hope Centre. Therefore, we would like to request any donations of non-perishable items, such as tinned, canned or bottled products, towards our collection. We will be collecting until Friday 5th October, as we will be delivering the donations during the following week. Children can bring their donations into class to add to their class hampers.

As a celebration of thanksgiving, we will be holding our Harvest Service at St Peter's in Cogenhoe on Friday 12th October. Key Stage 1 will attend a morning service, with Key Stage 2 having their service in the afternoon. More information about the service will be in other correspondence to follow soon.

Yours sincerely,

Mrs Reeve and the School Council
