

For the overnight camp on Friday, please can children come to school as usual with their overnight bag and bedding (sleeping bag and pillow). We will store this throughout the day so that the children can then collect it at the end of the school day. You will not need to collect your child on Friday – we will be starting the camp straight after school. Children do not need to bring their book bags or school uniform on Friday, as it is Mufti day.

We look forward to seeing you all at 9am on Saturday morning to collect your little angels.
