

HeadTeacher: Mrs C Oldham

7th November, 2018

INSPIRE. ASPIRE. ACHIEVE.

Dear Parents and Carers,

As part of our music enrichment curriculum, your children have been learning to play the ukulele.

We are now proud to invite you to join us in school to hear a selection of tunes that the children have learnt. This will help the children become more confident in their ability to perform in front of an audience, whilst providing an enjoyable afternoon for you to hear the culmination of their efforts.

This will take place on Wednesday, 28th November, at 2.30pm.

We look forward to seeing you,

Mrs Jacobs
