## Important Information

Royal dress up day/tea party— 19th May

In Maths, we have been looking at repeating patterns, seeing if we can use colours as well as objects to make our own! We were amazing!

## Just to say..

As we are getting into the Summer term, please can you ensure that you provide your child with a hat, sun cream (before school) and a water bottle to ensure we can use our outdoor area at all times and also to protect their skin from the sun rays.

## 'Royalty'

This week we started looking at traditional tales. We have been exploring the lives of kings, queens, princesses and knights. We have been making our own crowns, castles and prisons (which the teachers have been in several times!)

We have also been performing our traditional tales using our new dressing up area. We have some amazing actors in our class and they look fab too!

## Next Week..

We will be continuing our topic of 'Royalty' by making potions! We will be writing recipes as well as labelling our creations. In Maths we will be looking at doubling and sharing.

Miss Noble, Mrs Eaton, Miss O'Connell.
