## Important Information

21st June— Fashion show and teddy bear's picnic for new reception children.

22nd June—Sports day.

This week the children were discussing moving into Year 1. We also looked at old pictures of them from the beginning of the year and they all thought they were much taller now. The children then went and drew around themselves before measuring to see who was the tallest.

## “Tea time!”

This week we focused on the text ‘The Tiger who came to tea’, we decided we would like wild animals to come to our house for tea. Some of the children wanted rhinos, others wanted a giraffe and lots wanted a baby penguin. The children have enjoyed making tea parties, invitations and menus for the animals! After they meet our reception, they wont be hungry anymore!

## Just to say..

As it is sports day next week and the children will be outside all day, please can I ask them to have the following:

- Sun cream on
- P.E kit (shorts not joggers)
- Hats
- Water bottle

## Next Week..

We will be continuing to look at wild animals, focusing on the book ‘Dear Zoo’. We will be building our own zoos and painting and sculpturing clay animals to go in them.

Miss Noble, Mrs Eaton, Miss O’Connell.
