Important Information

Monday 1st May– Bank Holiday
Wednesday 3rd May –Year 3 Assembly
Friday 5th May—Year 5 Assembly

As well as all of the exciting things we have been doing in class, we were also very lucky that Mrs Phillips kindly organised a rock class for us. Jamie from Rock Steady came in and let our children form their own band and explore the instruments. We are the best rock star Reception he has ever heard!

The Lighthouse Keeper's lunch.

This week we read 'The Lighthouse keeper's lunch' and we decided to throw a party for Mr Gringlings birthday so he knew we appreciated how hard he worked. The children made birthday cards, and lighthouse models as presents! I am sure he will love all our gifts.

We also wondered how we would get to the lighthouse, so we made our own boats, some children used construction and others used objects to test if they would be suitable enough to float.

Just to say..

We hope you had a lovely Easter! As we come into the final term, we just want to thank you for all your support with your children's learning and if you have any questions, please don't hesitate to ask.

Next Week..

As we are going to be continuing to look at our chosen text, investigating what makes a healthy lunch, making our own sandwiches, shopping lists and even start to solve maths problems such as halving, sharing and doubling.
