

Foundation Stage Newsletter

Important Information

As well as all of the exciting things we have been doing with our text the children have also been very inventive with their creations. Some of the children have made their own perfume and Pokémon gym.

The Lighthouse Keeper's lunch.

This week we carried on 'The Lighthouse keeper's lunch'. We decided as mustard sandwiches weren't very nice, we would make some new recipes and show off our amazing Maths at the same time. We made ham and cheese sandwiches, as well as cakes and used our knowledge of halving to make sure we could share our food equally.

We have also been very creative in making lighthouses. We used different materials to construct them and even used battery tea lights to make sure, that shined bright enough for the ships to see.

Just to say..

Thank you to those who have provided old dressing up stuff for our Reception. If you find anymore you no longer need, please feel free to donate them. We would be very grateful.

Next Week..

We will be starting our new topic of 'royalty'. We will be looking at princesses, queens and kings as well as looking at traditional tales! We are even going to have our own royal tea party which may include a few evil queen potions.
