## Marvellous Maths

We have also been learning lots of tricks with our maths. We have been focusing on one more, one less and understanding that a total stays the same when separated. We have even been working on addition sums!

## Under the sea

This week is our first full week back after the Christmas break and the children found a special treasure chest but the treasure had been stolen. We then went on a treasure hunt around the school, and returned the precious jewels to their owner! As a reward, he left us a story! We were then inspired to make our own story maps and they were fantastic!!

## Thank You

Thank you all again for the amazing Christmas presents! We were overwhelmed by your generosity. It has been a fantastic term and we cannot wait for the next two!

## Next Week .....

The children will be continuing look at sea animals, their habitat, and appearance. As well as this will be making some amazing art work to transform our white room into our very own sea life centre!

Miss Noble, Mrs Eaton and Mrs Walters.
