

Foundation Stage Newsletter

Important Information

As learners, we have been working hard on our letter sounds. I know some of the children have already been practising at home so if you want to help support your child you could find objects beginning with the sounds we have learnt which are:

s, a, t, p, i, n

and next week we will be learning:

m, d, g

As well as this we have been matching quantity with numerals and recognising numbers!

People who help us.

As the children have shown keen interest in emergency services we have been looking at the topic 'people who help us'. We have been amazingly creative and imaginative, and we have a class full of incredible doctors, opticians and police officers.

We have even been drawing pictures of the emergency services and also our 'Mummy's and Daddy's' because "they help us the most because they love us."

Thank You

Thank you for your ongoing support with reading. It is so lovely to see your comments in their books and to see how engaged they are with aspects of their learning.

Next Week

The children will continue looking at people who help us, they will even be meeting some real life people who help us as well as their vehicles. Exciting!

Miss Noble, Mrs Eaton and Mrs Walters.
