

Foundation Stage Newsletter

Important Information

Thursday 18th— Harvest Festival.

Phonics sounds we have learnt so far are:

s, a, t, p, i, n, m, g, o, c, k.

and next week we will be learning:

ck, e, u, r.

We have already started to use our phonics to label our pictures with words and initial sounds.

People who help us!

This week we have been amazingly lucky to have so many guests come to visit us! We had two police officers who came to talk about road safety and what to do if we were to lose a grown up somewhere whilst enjoying fun family time, we also had two firemen who showed us their heavy equipment, let us see their special tools in their cars and also let us hear and see their sirens. We then, if that wasn't enough had the amazing Mr and Mrs Tanna-Shah who spoke about their job as an optician, we got to play some cool eye test games and we are so excited to ask our grown ups to go to the opticians for a proper he test (and to sit on a cool chair they have). On Friday we were again blessed to have Mrs Bennett in who taught us lots about being a physiotherapist and how we can keep our muscles strong and healthy, the children loved their new exercises, thank you so much to our guests we've loved all our new knowledge.

Thank You

Thank you for your tapestry letters, after half term you will be emailed out your login details and can then view your child's achievements. If you haven't picked up a letter please ask a member of staff.

Next Week

The children will be looking at mini-beasts, they will be exploring them in the museum, using their legs for maths work, and maybe even meeting a few on some mini-beast hunts.

Miss Noble, Mrs Eaton an Mrs Walters.
