

Dear Parents & Carers,

As you may be aware, the village hall car park has been resurfaced, which I know many families are very pleased with. This has been funded mainly by the Village Hall Committee, who are a charity. I am sure you will agree that this will ultimately benefit many of the families who utilise the generosity of the committee on a daily basis when coming to school.

As you can imagine, the cost to the Village Hall Committee has been significant and therefore they have asked if the school community would be willing to make a small contribution. Therefore, if you would like to make a small donation to the upkeep of the carpark, please hand it into the school office and we will pass them on to the committee on your behalf. Members of the Village Hall Committee, will also be outside the school gates to collect any loose change to further support the upkeep of the car park. We will notify parents which days the committee will be present outside the Village Hall car park, once we have confirmation via text.

Finally, thank you for your support, as we work together to make the surrounding areas around our school a safer and better place for the children and their families.

Best wishes,

Caroline Stewart
Headteacher
