As you can appreciate, places are limited, therefore please be aware that booking sessions in advance is advisable. As we are a cash free school we ask Parents/Carers to use our on-line payment system, to book and pay for sessions, though this secure website called School Money (Eduspot). If you require log in details/password, please contact the school office. Childcare vouchers can also be used as full or part pay for this extended service. On occasions it may be possible to book on the day by contacting the school office, however, please note that the payment must be made immediately, so the account is not in arrears as this would affect any future bookings.

Star Club will also provide you with an After School Club Agreement for both you and your child to sign and return.

In the event of an emergency situation or any unforeseen circumstances, which will affect your ability to collect on time, please contact the Star Club mobile number 07366 042600 so that staff are aware. However, please note that a late fee of £3.00 will be charged for every 15-minute period that proceeds the arranged collection time.

Due to the limited spaces available, please be advised that we require 24 hours' notice, if you have to cancel a session. Unfortunately, failure to cancel in advance will result in the session still being charged. However, if your child is absent due to illness on a pre-booked session, please contact either the school office or a member of Star Club and the school will credit your account.
