

Geography Home Learning

Here are your home learning activities for our UK capital cities topic. You can choose to do as many as you like—there is no set amount.

Your work should be beautifully presented and in your own words, you should not just copy and paste from the internet. If you think of something different to those that are listed, check with me and you could do that instead. All home learning should be brought into school on a Monday. It is optional and will earn you house point rewards.

City Seeker: Where have you been? Write down some cities you may have been to. What can you remember about them?

Create a famous UK landmark: Make a 3D model of famous UK landmark such as: The Angel of the North, O2 Arena, Blackpool Tower, BT Tower

Research: Find out some facts about Cogenhoe. What can you find out? Interview someone you know from the village and ask what they know.

Quiz: Create a fun quiz either on PowerPoint or in a leaflet for your friends to complete.

Puzzles: Can you make a crossword or word search related to our topic?

Flying the flag: Create a flag for Cogenhoe. Look at different flags from around the world. What will your flag include?

Storytime: Write an idea for a story which is set in a city. Think about stories you may have read where the character lives in a city, like Gorilla. You include illustrations too.

Discover the wildlife in a city: Research what wildlife you might find in a city. Choose one animal or creature to write about and draw a picture of.

Challenge: Poster Creator: Create a poster to encourage people to visit Edinburgh, Cardiff, Belfast or London. Write a sentence on the poster that will want to make people visit the city.
